From the desk of the Garrison Commander

**Col. Peter Dausen, U.S. Army,
Garrison Commander**

Hi, I'm Colonel Pete Dausen, the new Garrison Commander for the Presidio of Monterey, the Presidio of Monterey Annex and Fort Ord. Both I and SGM Bartlett, the Garrison Sergeant Major, will be writing to you in the Community News on a regular basis on subjects that we feel are important to all of us.

First, I'd like to tell you that I'm very excited about the Garrison staff who works with me to support you and this installation. They are an extremely hard-working, dedicated group of professionals who just do a fantastic job with little support and few resources of their own. The Garrison staff has impressed me with their enthusiasm and their understanding of their roles as selfless servants for this joint service community.

Next, I'd like to say that it's very important that we communicate with each other. It is the only way we can prioritize declining resources to meet your needs. There are many ways to provide feedback to the Garrison staff: Town Hall meetings (coming up 20 Oct 98), the Bossline, Customer Comment cards, or by letter, to name a few. We very much welcome your interest and involvement in our community.

Finally, I want to share some personal philosophy with you that has served me well through my years of service:

1. Do what's right. We have all been taught the difference between right and wrong - choose to do the right thing!
2. Do the best you can in everything you do. It really doesn't cost you much more to do a first-class effort, and it makes you feel good about yourself and proud.
3. Respect yourself and others. We are all partners on this road of life. Be kind; be a friend - we are all in this together!

Thanks for listening.

The "Light in the Night" Celebration

Oct. 31

Volunteers needed

POM ANNEX - Many parents these days are concerned about the increasingly negative and disturbing events surrounding Halloween.

If you are looking for a safe, fun, and positive alternative to the traditional Halloween trick-or-treating, come join us for the 5th Annual "Light in the Night" celebration!

The event is open to all and will be held on Saturday, Oct. 30 from 6 to 9 p.m., at the POM Annex Chapel, Building 4280, located on North-South Road between Gigling and Normandy Roads.

This event, which has been a resounding success in the military community over the past four years, is sponsored by the Installation Chaplain Office and the local Officers Christian Fellowship and grew out of a desire for local military families to provide a safe alternative to traditional Halloween celebrations.

The purpose of the evening is to celebrate Jesus Christ as the "Light in the Night" in an atmosphere that is fun and rewarding for all who attend.

Activities include games with prizes, candy for all, a puppet show, clowns, crafts, face painting, family photo booth, door prizes for adults, and more! Children and adults are welcome to come in costume (something non-scary please). We look forward to seeing you there!

Volunteers are still needed, so if you would like to help with this event in some

way or would like more information, please call Mike Kuypers at 393-9908 or Debbie Ruiz at 242-7625.

Austrian-American Day - Sept. 26

The Austrian-American Councils of the United States will celebrate the second official "Austrian-American Day" on Sept. 26. This is a very special date for all Austrians. It was because of the insistence of the United States that on Sept. 26, 1945, a conference was convened in Vienna between the Allies and the representatives of the nine Austrian Federal States, during which, under difficult circumstances, a treaty was worked out. The treaty saved Austria from the fate of other Soviet occupied European territories, namely, being divided between East and West. The conference laid the foundation for the recognition by the United States and the Allied Forces of the first Provisional Austrian post war Government. 1998 is also a special year in Austrian-American relations. This year we will commemorate the 51st anniversary of the foresighted, compassionate and conciliatory speech that General George Marshall gave at Harvard in 1947. With it, he initiated history's most generous aid program under the European reconstruction plan, which today history remembers simply as "the Marshall Plan." The program helped all of Europe, but especially Austria, back on its feet after the devastating war. Together with other nations, the people of Austria and Austrian descent want to honor the memory of a great American soldier and statesman, George C. Marshall.

German-American Day - Oct. 6

Oct. 6 is German-American Day. Just as Irish-Americans celebrate St. Patrick's Day and invite everybody to participate in the celebration, on German-American Day, Americans of German descent invite everyone to celebrate with them. In the late 19th and early 20th century, communities with a sizable German-speaking element would celebrate in grand style the day of the German-Americans. In Indiana, it was a real Community-Fest with Indiana governors and Vice President Fairbanks (1899) as speakers. In Evansville, the grand German Day celebration in 1911 lasted for one week (September 24-30). After the United States entered World War I against Germany in 1917, anti-German hysteria swept through the country. Many states passed legislation banning German in schools, religious services, newspapers and associations. Even in regions predominantly settled by German-speaking immigrants, cultural tolerance turned to Germanophobia, followed by abrupt abandonment of German-language programs in schools and colleges, churches, and associations.

Tai Chi Offered Year Around

Your choice of two different styles of Tai Chi

POM - A choice of two separate Tai Chi classes is being offered at Price Fitness Center (Building 842), Presidio of Monterey. Join Tai Chi Instructor Leonard Han twice a week for either **Course I: "Traditional Chen Family Taijiquan Gong Fu Frame,"** or **Course II: "Tai Chi Chi Kung I"** - a short Yang style energy form. Han, the 59th Rumen Dizhi ("Indoor Disciple"), of Master Chen Qingzhou (19th generation direct descendent/successor of Chen Family Taijiquan), is also a Certified Instructor of the International Healing Tao - Taoist approach to healing and self-transformation brought to American by Master Mantak Chia.

Course I Description: Traditional Chen Family Taijiquan Gong Fu Frame - meets Monday and Wednesday evenings from 5 to 6:30 p.m. This style is characterized by a balance of "softness and hardness" of energy, mostly absent in the practice of other styles of Taijiquan (Tai Chi). It is particularly well suited to people desiring to develop physical fitness, relaxation and concentration. The beginning class introduces the fundamental "Zhan Zhuang," stationary posture of standing meditation, necessary for cultivating "rooting into the ground, and beginning the first stage for developing "Qi," internal energy. Students will then begin learning Laojia Yi Lu ("Old Frame, First Form," 75 postures) this is the foundation set of Chen Taijiquan to develop a student's strength, balance, coordination, and understanding of Basic Tai Chi principles.

Course II Description: Tai Chi Chi Kung I (Short Yang Style Energy Form) - meets Thursday evenings from 6:30 to 8 p.m. only at this time - this a simple yet powerful early form of Yang style Tai Chi, which teaches the principles of body mechanics through the alignment of the bone structure with the force of gravity.

The cost: for either Tai Chi course the cost is \$60 (every 4 weeks) or \$15 per class for walk-ins. Private lessons are available for \$35. Pre-register and pay at the Price Fitness Center desk, or arrive early to register before the beginning of your first class.

What to bring/wear: Wear loose fitting clothes (i.e. no Levi's or belts) and preferably flat-soled tennis shoes, and bring a combination lock for use of a locker to secure any valuables (i.e. purse, wallet, bags).

To register: Call 242-5641 (Price Fitness Center).
